

LIGHT SENTENCE FOR FAILING TO REVEAL IDENTITY

Court Reminds Wm. Bauer, Trevoze, of Possible Heavy Fine and Jail Term

CRASH AT CROYDON

Newtown Township Man Is Found Guilty of Drunken Driving

DOYLESTOWN, Feb. 21—A manufacturing plant worker who pleaded guilty yesterday before Judge Edwin H. Satterthwaite to a charge of failing to submit identity at the scene of an accident, was fined \$25 and costs, but the court called his attention to the fact that he could have sentenced him to pay a fine of \$200 or serve as much as three years in prison.

He is William Bauer, 45, of Trevoze, who had never been arrested before, and who, after he had been involved in an accident on Dec. 3, 1951, paid all of the \$200 damages that he did to another car. A charge of failing to stop at the scene of an accident, was withdrawn on consent of District Attorney Willard S. Curran. Frank W. Fredericks, 24, of Philadelphia, testified that his car was struck by the defendant's car on the night of Dec. 3, 1951, at an underpass on Cedar avenue, Bristol township, and that Bauer drove on about 50 feet before stopping, and that he later left the scene, without identifying himself other than telling Fredericks to note his license number and get in touch with him if he so desired.

Police arrested Bauer at his home a short time after the accident.

Retired Carpenter Dies; Rites To Be Saturday

FERGUSONVILLE, Feb. 21—A retired carpenter, John J. Abele, 77, died yesterday morning following a lengthy illness. Death occurred at the home of his daughter, Mrs. May McCormick, Sycamore and Pine avenues, where he had resided for 2½ years. He was a former resident of Burlington and Camden, N. J.

Survivors, in addition to his wife, are sons: John P., William, Camden, N. J.; Arthur, Decatur, Ill.; George P., Burlington, N. J.; a daughter, Mrs. Rose Connelly, Texas; 15 grandchildren; a sister, Mrs. Louise Jeschon, Philadelphia; a brother, William Abele, New York, N. Y.

Services will be conducted by the Rev. Lester Paul, of Newportville Community church—Presbyterian on Saturday at two p. m. at the funeral home of J. Maurice Tomlinson, Cornwells Heights. Friends may call tomorrow evening. Interment will be made in Bristol Cemetery.

MAKE USE OF AMBULANCES

Ambulances of Bucks County Rescue Squad transported yesterday: Mrs. Forrester, Burroughs Nursing Home, Phila., to Nazareth hospital, Phila., and returned; Mrs. Blickert, Yardley, to St. Francis hospital, Trenton, N. J.; Carol Anne Synakowski, 2½ years, Windsor Village, to a local physicians office for treatment; Roque Sanes, 444 Pond street, to Abington hospital.

TO HONOR LATE MEMBER

NEWPORTVILLE, Feb. 21—Members of Newportville Fire Co., No. 1, will gather at the fire station at 7:30 this evening, then proceed to the viewing of the late Joseph Blusiewicz.

PROPOSED NEW JUNIOR-SENIOR HIGH SCHOOL FOR BENSLEM TOWNSHIP

Above is given an artist's conception of the planned new Benslem township junior-senior (grades seven to 12) high school. The school is to be located on Street road, north of Holmesville road, and contain 1,590,000 cubic feet. On the basis of the present costs of \$1 per cubic foot, the building today would cost \$1,590,000. On the left is the site of the auditorium; and the glassed-in section at the front contains the library and three home-making rooms.

The building will have accommodations for 990 pupils in 18 regular class-rooms and three over-size class-rooms. The structure is to contain four science and geography rooms; two home-making laboratories and one home-making class room; two commercial rooms; four mechanics rooms; one bookkeeping room; an art laboratory; library; music room; two shops; cafeteria seating 420; auditorium seating 832; and "gym" with accommodations for 1,000.

Anniversaries of Two Marked at Club Party

On Tuesday evening, Mrs. Paul Jobson, Cleveland street, entertained the Chit and Chatter Club at a Valentine party and also celebrated the wedding anniversaries of Mrs. Jobson and Mrs. Marvin Collins. A social evening was enjoyed with the decorative scheme being in keeping with St. Valentine day.

A buffet supper was served to Mrs. Charles Colville, Mrs. Charles Kulow, Mrs. James Smith, Mrs. Eugene Dugan, Mrs. Allen Lebo, Mrs. John Cassidy, Mrs. Paul Jobson and Mrs. Marvin Collins.

Mrs. Colville and Mrs. Kulow were new members to join the club.

PROGRESS, PROBLEMS OF LOWER BUCKS COUNTY HOSPITAL MADE KNOWN IN SECOND PUBLISHED REPORT OF THE PUBLIC RELATIONS COMMITTEE

Progress and problems on the Lower Bucks County Hospital are made known in the second published report of the public relations committee under the direction of Mrs. Reba C. Goebig, chairman.

At the board of directors meeting on November 23, 1951 the directors instructed the building committee, headed by E. L. Helwig, to proceed with plans and specifications for a 100-bed hospital and take bids on 150 beds. The architects prepared preliminary sketches which were publicly shown at the Bristol Trust Company on November 30. They estimated that the 100-bed hospital together with all fixed equipment would cost \$1,817,285, and when completely furnished it would cost \$1,942,655. They also estimated that an increase to 150-beds would raise this complete cost to \$2,157,655. They were instructed to go ahead on this basis and expected to have their plans and specifications ready for competitive bidding by July 1, 1952.

Late in December 1951, hospital consultant, James R. Mays, was informed that the U. S. Public Health Service had made a survey of this area, and while the report had not yet been published, he received permission to read it in Dr. Cronin's office. This report indicated that the U. S. P. H. S. expected the area served by the hospital here to double in population within the next few years, reaching 140,000 people. According to standard calculations, this would call for a minimum of 500 beds. They therefore

recommended an immediate change of the project to 300 beds with plans to permit an ultimate expansion to 500 beds. They also indicate the need of a nursing school and diagnostic clinic in connection with this hospital.

"Since the Lower Bucks County area will feel the impact of war activities more than any other one in Dr. Cronin's district, it is likely that the money will be forthcoming to carry out this expansion. It, of course, depends upon

Group Meetings With Teachers Are Featured

NEWTOWN, Feb. 21—On Monday evening, Parent-Teacher Association of Council Rock featured group meetings with teachers (in their respective rooms) and parents, for a better understanding and co-operation of teacher, student and parent.

At the short meeting, presided over by George Gheheles, president, Dominic Sargola was appointed to contact Commander Charles Swartz, Jr., of the American Legion, Morrell Smith Post, No. 440, regarding purchase of an ambulance, with respect to what co-operation the PTA could give.

Calvin White was appointed to interview members of Council Rock Health Council in regard to further work of that body.

The 9th grade received attendance award, having the greatest percentage of parents represented.

It was announced that about 1200 copies of a telephone directory have already been sold, and copies are still available. Mr. and Mrs. J. Claude White and Mrs. Harry Yerkes headed the committee working on the directory, assisted by members of PTA.

SURLY "TOM" YOUNG, WIFE, EAGERLY SOUGHT

'Margie' is First Woman To Rate Listing on 'Most Wanted' List

'ALERT' PHYSICIANS

The FBI has put a married couple—Thomas Edward Young and his wife, Margie—on its list of the nation's "Ten Most Wanted Criminals," replacing Los Angeles murder suspect Harry H. Burton, captured Feb. 7 at Cody, Wyo.

The Youngs, whose trail has criss-crossed the Midwest and California, are wanted for a series of bank and post office burglaries and two daring jailbreaks. The presence of Mrs. Young on the FBI blacklist marks the first appearance of a woman on the roster of top federal fugitives.

Addition of the couple to the "most wanted" list rounds out once more the International News Service 1952 series on the nation's most desperate criminals. Since INS began the dramatic feature in March, 1950, 19 "most wanted" men have been captured and another was slain while resisting arrest.

LATEST NEWS BULLETINS

Acheson Hopes for Early End of War

Lisbon—U. S. Secretary of State Dean Acheson reportedly told a secret meeting of western foreign ministers in Lisbon today that he hopes for an early end to the Korean war, possibly by spring. He was said to have based his remarks on the basis of latest reports from UN negotiators in Korea and diplomatic indications regarding the future intentions of Russia and Communist China.

Capture Accomplice of Sutton

New York—Capture of the second of the nation's "most wanted" bank robbers within 48 hours—an accomplice of Willie Sutton—led police today to believe they had thwarted another big bank job. The long-hunted criminal—"Mad Dog" fugitive Thomas "Scup" Kling—was trapped yesterday in the shower of his "arsenal" basement apartment in New York before he could grab his gun and shoot it out with police.

Van Fleet Warns of Possible Big Spring Offensive

Seoul—Gen. James A. VanFleet warned today that the strongest and best-equipped Chinese Army in history may launch a major spring offensive in Korea in the event armistice talks in Pan Mun Jon continue to drag out. The Eighth Army commander told INS that the Communists, stronger today than ever before in manpower and equipment, probably would attack if armistice talks fail to bring peace within the next few months.

"Amazing Results" Claimed from "TB" Drug

New York—An inexpensive drug which has brought amazing results in experimental treatment of tuberculosis was described today as "one of the greatest medical discoveries in a generation." In revealing that the drug had been developed by scientists working with his department, Dr. Marcus D. Kogel, New York City Hospitals Commissioner, said it was "better than anything so far." He emphasized that results are still "tentative."

Attempt to Delay Strike Deadline

Pittsburgh—CIO-United Steelworkers policy makers took steps today to delay the Saturday midnight strike deadline at separate sessions in Pittsburgh of the union's international executive board and the wage policy committee. The 36-man executive board met to draft a resolution delaying strike action to be submitted for approval of the 170-man wage-policy committee slated to meet at 2 P. M.

Vote Sums To Parsonage And Scholarship Funds

CROYDON, Feb. 21—Members of the Woman's Society of Christian Service, Wilkinson Methodist Church, held a meeting, Monday evening. Twenty-four attended. The meeting was in charge of Mrs. Morris Shifferstine, president. Devotions were led by Mrs. Walter Rice. It was decided to donate \$5 to the Hannah P. 4TH VICTIM OF 3 FATAL ACCIDENTS IN THREE DAYS DIES

Mrs. Laura Swink, Wife of Theological Student, Dies in Hospital

CO. SEAT ACCIDENT

Herbert Litwak, Easton, Is Killed; Crashes, Head-On, Into Truck

The fourth victim of three fatal accidents within the last three days on Bucks County highways died in a Trenton (N. J.) hospital late yesterday afternoon. Mrs. Laura Jane Swink, 24, widow of John Alan Swink, Jr., 23, Proctor Blvd., Utica, N. Y., died in the Mercer Hospital, yesterday afternoon. Death was the result of injuries she received in an accident in which her husband was killed 1½ miles east of Pennell on U. S. Route 1 late Monday evening.

Other victims of the three accidents are:

Herbert Litwak, Easton, Florian Biskubiak, 57, Bensalem township.

Litwak met his death on Route 611, two miles south of Doylestown, at about three o'clock yesterday afternoon. He smashed, head-on, into a truck of the Penna. State Highway Dept.

Herbert Litwak, owner of a children's clothing store in Easton, apparently fell asleep while driving from Philadelphia. Trooper Leonard Morgan of the Doylestown Substation, Pennsylvania State Police, reported, Litwak, driving home from the University of Pennsylvania Hospital, where he had taken his mother for an operation, smashed into the highway truck, driven by Carl Wachmar, 51, of 250 W. Bridge St., Morrisville.

State police reported Litwak's 1952 automobile was completely demolished as the car crashed into a snow plow being carried at the

U. M. T. Bill is Topic For Panel Discussion

NEWTOWN, Feb. 21—Highlighted by a panel discussion of the Universal Military Training bill, Newtown Junior New Century Club's February meeting was held Tuesday in the Youth Center with Mrs. Robert A. Sheeran presiding.

Mrs. David Gould, 3rd, moderator, announced that the bill had been broken down into six questions, each of which was discussed in turn by members of the two teams. Speaking in favor of the bill were Mrs. Robert Titlow and Mrs. David Rishell; and in opposition, Mrs. Frederick Hiff and Mrs. Stephen Escher.

It was announced the club's mother-daughter banquet will be held the first Tuesday in May; "open house" day will be May 17th; that \$150 was collected in the "polio" containers that had been placed in the stores, and that the senior club had sent a contribution of \$50 to Newtown Emergency fund. The club voted favorably on the proposed fluoridation of Newtown water supply. Pennsbury Club extended an invitation to Newtown Club to attend a meeting March 4th.

A contribution was voted for the Boy Scouts.

Hostesses were Mrs. Crawford Motson, Mrs. Floyd Steinmetz and Mrs. Lewis Woodman.

TO VIEW FILMS

Motion pictures taken during a trip to Europe will be shown by Miss Claire Prael, Newportville school teacher, at the meeting of Newportville-Maple Shade P. T. TO HONOR LATE MEMBER

Members of the A. O. H. are requested to meet in the A. O. H. home Friday at 7:30 p. m. to pay respects to the late John Sullivan.

Economic Forum Arranged For Club Session Locally

An economic forum will be conducted tomorrow afternoon in the ravel Club home at two o'clock. A meeting of the club is held. Moderator of the forum will be Mrs. Elwood P. Goslin, public affairs chairman of the club who has charge of the program. The speakers will be Mrs. Robert F. Wright, Mrs. A. Russell Burton, Mrs. Ralph Scheffey and Mrs. Lester Michael, all of whom are members of the club.

Those planning the forum remind: "The newest development in the growing prestige and influence of women is the recognition of their importance as the principal spenders of the nation's wealth. This will be highlighted by the presentation of this forum. America's prosperity no longer determined by a few large fortune owners, but is the result taken by millions of individuals with moderate incomes that determines the economic course of the nation. Women have come away from similar forums enlightened to the intricacies of the financial world and sobered by a new awareness of their responsibility. Members are privileged to take tests to this meeting.

The hostesses of the afternoon, Mrs. Alvin K. Schindewolf and Mrs. Samuel Laidacker, will pour tea.

**Cites Activities Of
Sullivan's Army in Area**

DOYLESTOWN, Feb. 21—David Taylor, Newtown R. D., was speaker before more than 40 members and guests of Bucks County Chapter, Daughters of the American Revolution, in the Swartzlander house, Monday. Eleven of the guests were members of Tolickon Chapter, D. A. R.

Mr. Taylor, who has been in radio work for the past 18 years, is a well-known writer of radio shows and is currently producing two radio and one television show in Philadelphia. He is author of the book "Yankee Doodle Went to Town," which deals with the events leading to the crossing of the Delaware by General George Washington. He cited the activities of Sullivan's army in the Newtown area the week before the eventual crossing.

Mrs. William V. Loughery, regent, presided. Miss Paula Clift was welcomed as a member.

The president general's message was read by vice-regent, Mrs. Franklin Washburn.

The chapter voted to present the name of Mrs. Ann Hawkes Hutton, Edgely, as Pennsylvania's "distinguished daughter" for the year.

Hostesses included: Mrs. Montgomery Clift, Mrs. Herbert Crough, Mrs. Harvey Mitman, Mrs. Brantley S. Duddy, Miss Anna Moyer and Miss M. Ballantyne.

"SATURDAY'S HERO"

Youth Program Soon To Be in "Full Swing"

NEWTOWN, Feb. 21—By the end of the first week in March, the Ne-shaminy Valley Youth Center program for many different ages will swing into high gear.

Since Mr. Sautsbury left, and the running of the Youth Center has been dependent mostly on volunteer help, it has been the hope of the board of directors to offer activity for each age group.

The junior high group has maintained steady attendance of 50 or more at every Saturday evening dance, and last Saturday, with the special Valentine dance, the attendance was 130.

Every Tuesday for an eight-week period, beginning Feb. 26th, from four to five p. m., ballroom dancing will be offered to boys and girls in this vicinity, 11 and 12 years of age. Mrs. Elizabeth Shanne will conduct classes. Registration must be completed by the end of the second session.

The Youth Center will continue to be open from eight to 10:30 p. m., on Thursdays and Fridays under direction of George Carleton/Thomas Sutton and Mrs. Doris Allen.

Beginning March 6th, a class, under direction of William Alexander, for boys between 12 and 16, who are interested in building model airplanes, trains and cars will be held in the workshop just recently completed. The Youth Center has long been in need of an adequate working space for the pursuit of hobbies. Through the generosity of David L. Watson, who furnished the lumber, and A. M. Titlow, who built the workbenches, the workshop is now a reality.

Starting March 7th at 3:45 p. m., square dancing classes will be held for eight weeks for children 6-10; James Tempest, of George School, will instruct.

By the first of April, the board of directors plans to have several other diversified projects.

The Rio Grande is the largest river in Mexico.

Mineral Collection Given Scouts; Investiture Held

CROYDON, Feb. 21—An investiture service of Troop No. 80, Boy Scouts, was held in the Wilkinson Methodist Church, Sunday evening. The service was conducted by senior patrol leader, Wayne H. Woodland, Jr., assisted by his father, chairman of health and safety of Lower Bucks County Boy Scouts, Wayne Woodland, Sr.

Members of the troop taking part were: Albert Sylvester, Thomas Leighton, Theodore Leighton, William Denney, William Aufschlag, Ellsworth Thompson, Thomas Water, Franklin Woodland.

The boys accepted into the troop are: William Crossley, Joseph Crossley, Frank Wysocki, Gary Roberts.

The Rev. Louis Heim presented to the troop a mineral collection from a friend. The gift was accepted on behalf of the troop by Ellsworth Thompson.

Various Events Planned By St. Ann's Auxiliary

With vice president, Miss Lucy Ciambella presiding, St. Ann's A. A. Ladies Auxiliary conducted a meeting Tuesday evening in St. Ann's club house.

Mrs. Joseph Giampetro reported the Valentine dinner-dance a success, 150 attending. Mrs. Mary Manzo informed of plans for the fashion show, March 17th, in Fifth Ward Sporting Club home; and Mrs. Louis Galzerano told of plans for the spaghetti supper, Feb. 28th, 12 to eight p. m., in the St. Ann's Club home. Orders will be taken out if desired.

Mrs. Julia Bergfield, chairman of the March 19th pinocle party, informed of plans for that event. Mrs. Angelo Nicols volunteered to care for refreshments at the March meeting.

Mrs. John Raccagno, Miss Yolanda Costantini and Miss Josephine DiLorenzo served sandwiches and coffee to 35.

YANKEES TO BE TARGET OF OTHER TEAMS IN LEAGUE

The New York Yankees' chances of winning their fourth straight pennant in 1952 depend on many things—including the rest of the American League. The A. L. picture for '52 is examined in the following article, second in a series of three by International News Service on the forthcoming flag races.

By Charles Einstein
(L. N. S. Sports Writer)
NEW YORK, Feb. 21—(INS)—Everybody, excepting the St. Louis Browns and Washington Senators, will be gunning for the New York Yankees' American League championship in 1952. The Browns have lost that midget who got on base for them last year and the Senators didn't have a midget to begin with.

But if any team in the circuit is rated as a top threat to the Yankee dynasty, that team is the Chicago White Sox. Back for another season under managerial sensation Paul Richards is the same speed-crazy club that led the league well into July last year. But something new has been added:

1. Hector Rodriguez, a third-base prospect who—if he clicks—will allow Minnie Minosco to spend his full time in the outfield.
2. A catcher—Sherm Lollar, from the Browns. He can hit.
3. Pitchers Al Widmar and Chuck Stobbs.

Those additions may be all the White Sox need to give them the one ingredient they lacked a year ago—staying power.

Any pitching staff that includes Feller, Lemon, Wynn, Garcia, Gromek and Chakales is bound to command respect. For that reason, the Cleveland Indians once again are being touted as potential flag-winners, even though they demonstrated in 1951 that pitching isn't everything. A lot depends on return to hitting form by Larry Doby, and on Luke Easter's showing following his knee operation.

Pitching is Detroit's hope, too, now that Art Houtteman, sensational young righthander in 1950, has returned from a stay in military service. But the Tiger infield and catching has not been noticeably improved over 1951.

The Philadelphia Athletics are everybody's question mark. They have the league's leading home run hitter of 1951 (Gus Zernial) and the batting champion (Ferris Fain), plus a host of pitchers who made life miserable for the contenders in the stretch run.

Just as outstanding a question mark is the chance of the Boston Red Sox. Lou Boudreau has succeeded Steve O'Neil as manager. Gone are Ted Williams (called to the Marines) and Bobby Doerr (retired). Don Lenhardt is figured as Williams' successor in left field, and Fred Hatfield will get the shot at replacing Doerr at second base. Gus Niarhos has been obtained to bolster the catching, but the situation is not so promising as it has been in the last four years—not that it made any difference. The Red Sox now have blown the duke four years hand-running.

New manager Rogers Hornsby, new owner Bill Veeck, and 20-game-winning Ned Garver are the St. Louis Browns' assets. These, it is reckoned, are not enough. Neither is Washington's better-than-average outfield.

As for the world champion Yankees, they have Mickey Mantle and Jackie Jensen ready to try to fill the shoes of retired Joe DiMaggio in center field. They have a problem at first base. Jerry Coleman, a better-than-some infielder, has been called to the colors.

But the Yanks have rookie-of-the-year Gil McDougald, most-valuable-player Yogi Berra, ex-most-valuable Phil Rizzuto, three pitchers named Raschi, Reynolds and Lopat, Manager Casey Stengel, a wealth of tradition—and one more thing.

That is that, as indicated by the All-Star game of 1951 and the American League race in general, they're playing in a weak league.

DELHAAS TEAM TO PLAY FACILITY

The annual game between the Delhaas Junior Varsity and the Delhaas Faculty will be played this afternoon at four o'clock on the Rohm & Haas floor. It is the third meeting between the teams with the Junior Varsity winning the other games, 26-25, and 28-26. Members of the Faculty team are: Stan Dick, John Antoni, Sid Oppenheimer, Ken Harold, M. McFarlan, Tom Jenkins, Lloyd Johnson, and Birk Ellis.

TEARS WEAPON

SACRAMENTO, Cal. — (INS)—Tears—a new weapon for foiling a bandit—worked in Sacramento. They balked an attempted theatre holdup. Josephine Lopez, theatre cashier, told police a bandit appeared at her window and ordered her to hand over the contents of the cash box. But he fled when she burst into tears.

HIBERNIANS TO TRY TO KEEP GRIP ON LEAGUE LEAD

The Hibernians will try to keep its grip on first place in the Bristol Basketball League tonight as it meets Hilltop A. C. in the second game of a twin bill on the Goodwill Hose Company court. The first game, between Franklin and Rohm & Haas, will begin at 7:30 o'clock.

The Hiboes moved into undisputed possession of the top notch position last week by winning over Profy's while Rohm & Haas was losing to Cornwells. The triumph gave the Hibs a full game lead over the chemical mixers.

Hilltop is in the cellar of the league but still maintains a mathematical chance of getting in the playoffs. It must win practically every game to do this. Manager Larry Auerwick, of the Nesaminy Falls team, will start Al Benningfield, Don LeHuquet, Bill McDonald, Dick Johnson, and Esdale.

Manager Peter Harkins, Hibernians, intends to start Joe Mulligan, Charlie Simmons, Joe Roe, Mickey Downs, and Charlie Brady. The latter is the most improved player of the circuit and has been scoring heavily in the last few games.

Rohm & Haas is seeking a comeback against Franklin. The Maple Beach aggregation is riled at the defeat handed it by Cornwells and intends to take it out on Franklin.

However, Franklin is batting for a chance to get in the playoffs and may cause the second-place team plenty of trouble.

BOWLING

HUNTER-WILSON LEAGUE

Gallagher & Burton retained first place by trouncing That's All 3-1. Because of this defeat and the fact that they downed El Bart 3-1, White Label jumped into second place, leaving the third place spot for That's All. The Hunter team took

Wilson 4-0 but their standings remained the same.

High game for the evening went to "Mike" Scerba, a 197; and "Joe" Warsheski took high series with a 536.

TERCHON POST GAINS PLAY-OFF POSITION

Chester W. Terchon Post, Veterans of Foreign Wars, clinched the third spot and a playoff position in the Bristol Clubmen's Dart League, Tuesday evening when they swept the last games of the season from Clinton Lewis Lodge.

The Mutual Aid Society, season champions, draws a bye in the playoffs, and will meet winners of the 3-game match between Loyal Order of Moose and Terchon Post. The first games of this match will be played this evening on the Moose floor.

Final season standings of the league are:

1st Mutual Aid	75	5
2nd Moose	59	21
3rd Terchon Post	43	37
4th Clinton Lewis	37	43
5th St. Ann's A. A.	25	55
6th No. 1 Fire Co.	1	79

All Dart captains are reminded of a captain's meeting in V. F. W. home, Friday evening.

"WASHINGTON REPORT"

By FULTON LEWIS, JR.
(Copyright, 1952,
King Features Syndicate, Inc.)

WASHINGTON, Feb. 21. Brig. Gen. Conrad E. Snow is not the man to be head of the State Department's Loyalty Board.

Snow, apparently at the suggestion of Secretary of State Dean Acheson, recently undertook a mad slinging speech against Senator Joseph R. McCarthy. It was filled with invective, but by the time Snow finished reading, it sounded more like a plaintive appeal to the Senator to go easy. McCarthy says State Department propagandists wrote the speech for Snow, but I wouldn't know about that, except to remark that if Snow did need help, there are dozens of propagandists on the payroll.

Snow has been head of the State Department's Loyalty Board since 1947. He said that his Board has turned up "numerous" loyalty and security cases since that date. Maybe so, but the Loyalty Review Board, under Hiram Bingham, which reviews most of the State Department Board's actions, says that Snow's group hasn't fired a single employee for either loyalty or security.

In fact, Bingham says that this is one of the most astounding records in government, especially since other agencies have found an average of from 6 to 10 per cent of their employees ineligible for government work under the loyalty-security program.

McCarthy continues to charge the State Department and other agencies with harboring Reds. Snow says this is a "smear" and that there are no known Communists working in Acheson's Department. Snow should be called before the McCarran Internal Security Subcommittee and told to put up or shut up.

Here is what Bingham has to say about Snow's Board:

"I think it is fair to say that the State Department has the worst record of any Department in the action of its Loyalty Board. The Loyalty Board in all the cases that it has considered in the State De-

partment has not found a single case of disloyalty."

Where does that leave Snow with his "numerous" cases of loyalty and security risks? Here is an opinion from another member of the Loyalty Review Board in respect to Snow and his State Department Loyalty Board that may help answer the question:

"As far as the State Department is concerned I don't understand their position at all, because although their Board has not held their people ineligible under the loyalty test, who should have been held ineligible under that test, they have plenty of power to remove

them as security risks. Why haven't they exercised it?"

That's a good question Snow ought to be made to answer before the McCarran Sub-Committee. And while in the witness chair, Snow ought to be asked how many, if any, State Department employees ousted from the payroll are now working for other government agencies. The Loyalty Review Board suspects there are many. At a recent session one Review Board member said this of the State Department's Loyalty Board:

"When they operate as they do—

merely showing a resignation of the individual and he has this copy from the State Department, he immediately goes over to another agency and says: 'I have worked for the State Department for five years. Here's my personnel action sheet. I resigned a few weeks ago.' There's nothing on the personnel action sheet to tell the personnel officer that there is an investigation on that person. He gets a job, or the person may be interested in him for other employment, and has to go running around the government

to find that there is an investigation on the man."

To date, Snow hasn't opened his mouth to protest Acheson's policy of permitting security and loyalty risks to resign, rather than be fired. If he wants to do his country a service he should protest this in a loud voice, instead of wasting his breath slinging mud at a United States Senator who does more to

combat Communists in one day than Snow's Board has done since 1947.

Snow seems to think the way to fight Communists in government is to sling mud at McCarthy. I respectfully call Senator Pat McCarran's attention to Snow's peculiar behavior as head of Acheson's Loyalty Board.

Tops in washing performance... among ALL automatic washers!

A-B-C-O-Matic
"Shampoos" the Clothes

for a **CLEANER WHITER WASH**

FIRST with shampoo **FIRST** with exclusive "centric" agitation!

Acclaimed by experts as today's outstanding improvement in washing action. Begins like a shampoo, with a small amount of water and the full quantity of soap. The result is a rich, creamy "lather," that quickly loosens the dirt. More hot water then produces turbulent, soapy suds, forced through every stitch of fabric. ABC-O-MATIC's exclusive "Centric" Agitator, with its big, pliant rubber fins, does not spin or oscillate. It moves outward and inward, with a smooth, continuous, pulsating action. Thus, clothes are not whirled, twisted or strained, but distributed evenly... and gently and thoroughly washed.

WASHES, RINSES, "SPIN-AIRE" DRIES... ALL Automatically!

This is the washer you've dreamed about! It's tops in automatic washer performance. With ABC-O-MATIC you just "dial" the dirt away. Everything is automatic! Toss in the clothes... add soap or detergent, whichever you prefer... set the dials. That's all! No fuss, no muss, no work, no worry! See the new ABC-O-MATIC before you buy any washer.

ABC America's Leading Washers and Ironers

LIGHT SENTENCE
FOR FAILING TO
REVEAL IDENTITY

Court Reminds Wm. Bauer,
Trevose, of Possible Heavy
Fine and Jail Term

CRASH AT CROYDON
Newtown Township Man Is
Found Guilty of Drunken
Driving

DOYLESTOWN, Feb. 21—A manufacturing plant worker who pleaded guilty yesterday before Judge Edwin H. Satterthwaite to a charge of failing to submit identity at the scene of an accident, was fined \$25 and costs, but the court called his attention to the fact that he could have sentenced him to pay a fine of \$200 or serve as much as three years in prison.

He is William Bauer, 45, of Trevose, who had never been arrested before, and who, after he had been involved in an accident on Dec. 3, 1951, paid all of the \$200 damages that he did to another car. A charge of failing to stop at the scene of an accident, was withdrawn on consent of District Attorney Willard S. Curran. Frank W. Fredericks, 24, of Philadelphia, testified that his car was struck by the defendant's car on the night of Dec. 3, 1951, at an underpass on Cedar avenue, Bristol township, and that Bauer drove on about 50 feet before stopping, and that he later left the scene, without identifying himself other than telling Fredericks to note his license number and get in touch with him if he so desired.

Police arrested Bauer at his home a short time after the accident. Continued on Page Three

Retired Carpenter Dies;
Rites To Be Saturday

FERGUSONVILLE, Feb. 21—A retired carpenter, John J. Abele, 77, died yesterday morning following a lengthy illness. Death occurred at the home of his daughter, Mrs. May McCormick, Sycamore and Pine avenues, where he had resided for 2½ years. He was a former resident of Burlington and Camden, N. J.

Survivors, in addition to his wife, are sons: John P. William, Camden, N. J.; Arthur, Decatur, Ill.; George P. Burlington, N. J.; a daughter, Mrs. Rose Connelly, Texas; 15 grandchildren; a sister, Mrs. Louise Jeschon, Philadelphia; a brother, William Abele, New York, N. Y.

Services will be conducted by the Rev. Lester Paul, of Newportville Community church—Presbyterian on Saturday at 2 p. m. at the funeral home of J. Maurice Tomlinson, Cornwells Heights. Friends may call tomorrow evening. Interment will be made in Bristol Cemetery.

MAKE USE OF AMBULANCES

Ambulances of Bucks County Rescue Squad transported yesterday: Mrs. Forrester, Burroughs Nursing Home, Phila., to Nazareth hospital, Phila., and returned; Mrs. Blackett, Yardley, to St. Francis hospital, Trenton, N. J.; Carol Anne Synakowski, 2½ years, Winder Village, to a local physicians office for treatment; Roque Sanes, 441 Pond street, to Abington hospital.

TO HONOR LATE MEMBER

NEWPORTVILLE, Feb. 21—Members of Newportville Fire Co., No. 1, will gather at the fire station at 7:30 this evening, then proceed to the viewing of the late Joseph Blusiewicz.

PROPOSED NEW JUNIOR-SENIOR HIGH SCHOOL FOR BENSLEM TOWNSHIP

Above is given an artist's conception of the planned new Benslem township junior-senior (grades seven to 12) high school. The school is to be located on Street road, north of Huimeville road, and contain 1,690,000 cubic feet. On the basis of the present costs of \$1 per cubic foot, the building today would cost \$1,690,000. On the left is the site of the auditorium; and the gabled-in section at the front contains the library and three home-making rooms. The building will have accommodations for 990 pupils in 18 regular class-rooms and three over-size class-rooms. The structure is to contain four science and geography rooms; two home-making laboratories and one home-making class room; four mechanics rooms; one bookkeeping room; an art laboratory; library; music room; two shops; cafeteria seating 429; auditorium seating 832; and "gym" with accommodations for 1,000.

Anniversaries of Two
Marked at Club Party

On Tuesday evening, Mrs. Paul Johnson, Cleveland street, entertained the Chit and Chatter Club at a Valentine party and also celebrated the wedding anniversaries of Mrs. Johnson and Mrs. Marvin Collins. A social evening was enjoyed with the decorative scheme being in keeping with St. Valentine day.

A buffet supper was served to: Mrs. Charles Colville, Mrs. Charles Kulow, Mrs. James Smith, Mrs. Eugene Dugan, Mrs. Allen Lebo, Sr., Mrs. John Cassidy, Mrs. Paul Johnson and Mrs. Marvin Collins.

Mrs. Colville and Mrs. Kulow were new members to join the club.

WORLD NEWS IN BRIEF

President Truman declared yesterday that he had not promised British Prime Minister Churchill at their recent talks to send American troops anywhere. This statement followed a surprise action in the House when the Republicans, joined by 29 Democrats, overruled the Foreign Affairs Committee and voted, 189 to 143, to direct Secretary Acheson to report any secret military commitments at the talks. The action was advisory and not mandatory. This foreign policy rebuke to the Administration was coupled with one in the Senate. Senator Jenner gave notice he would seek to attach vital reservations to the Japanese peace treaty. In the British Commons Mr. Churchill was under attack for having promised Mr. Truman too much.

The Nato Council opened its new session in Lisbon with fourteen nations in the European Defense Community. Greece and Turkey attended for the first time and heard Secretary Acheson say the goal was defense against aggression and not military forces "great enough to launch a preventative war." A European army treaty will be ready for signature in about six weeks, but ratification is not expected before the end of this year.

Dr. Franz Richter, a Bundestag deputy and leader of the neo-Nazi

PROGRESS, PROBLEMS OF LOWER BUCKS COUNTY
HOSPITAL MADE KNOWN IN SECOND PUBLISHED
REPORT OF THE PUBLIC RELATIONS COMMITTEE

Progress and problems on the Lower Bucks County Hospital are made known in the second published report of the public relations committee under the direction of Mrs. Reba C. Goebig, chairman.

At the board of directors meeting on November 23, 1951 the directors instructed the building committee, headed by E. L. Helwig, to proceed with plans and specifications for a 100-bed hospital and take bids on 150 beds. The architects prepared preliminary sketches which were publicly shown at the Bristol Trust Company on November 30. They estimated that the 100-bed hospital together with all fixed equipment would cost \$1,817,285, and when completely furnished it would cost \$1,942,685. They also estimated that an increase to 150-beds would raise this complete cost to \$2,157,685. They were instructed to go ahead on this basis and expected to have their plans and specifications ready for competitive bidding by July 1, 1952.

Late in December 1951, hospital consultant, James R. Mays, was informed that the U. S. Public Health Service had made a survey of this area, and while the report had not yet been published, he received permission to read it in Dr. Cronin's office. This report indicated that the U. S. P. H. S. expected the area served by the hospital here to double in population within the next few years, reaching 140,000 people. According to standard calculations, this would call for a minimum of 500 beds. They therefore

recommended an immediate change of the project to 300 beds with plans to permit an ultimate expansion to 500 beds. They also indicate the need of a nursing school and diagnostic clinic in connection with this hospital. "Since the Lower Bucks County area will feel the impact of war activities more than any other one in Dr. Cronin's district, it is likely that the money will be forthcoming to carry out this expansion. Group Meetings With
Teachers Are Featured

NEWTOWN, Feb. 21—On Monday evening, Parent-Teacher Association of Council Rock featured group meetings with teachers (in their respective rooms) and parents, for a better understanding and co-operation of teacher, student and parent.

At the short meeting, presided over by George Ghebeles, president, Dominic Sagolla was appointed to contact Commander Charles Swartz, Jr., of the American Legion, Morrell Smith Post, No. 440, regarding purchase of an ambulance, with respect to what co-operation the PTA could give.

Calvin White was appointed to interview members of Council Rock Health Council in regard to furthering work of that body.

The 9th grade received attendance award, having the greatest percentage of parents represented. It was announced that about 1200 copies of a telephone directory have already been sold, and copies are still available. Mr. and Mrs. J. Claude White and Mrs. Harry Yerkes headed the committee working on the directory, assisted by members of PTA.

CO. SEAT ACCIDENT

Herbert Litwak, Easton, Is
Killed; Crashes, Head-
On, Into Truck

The fourth victim of three fatal accidents within the last three days on Bucks County highways died in a Trenton (N. J.) hospital late yesterday afternoon. Mrs. Laura Jane Swink, 24, widow of John Alan Swink, Jr., 23, Proctor Blvd., Utica, N. Y., died in the Mercer Hospital, yesterday afternoon. Death was the result of injuries she received in an accident in which her husband was killed 1½ miles east of Penndel on U. S. Route 1 late Monday evening.

Other victims of the three accidents are:

Herbert Litwak, Easton, Florian Biskubiak, 57, Bensalem township.

Litwak met his death on Route 611, two miles south of Doylestown, at about three o'clock yesterday afternoon. He smashed, head-on, into a truck of the Penna. State Highway Dept.

Herbert Litwak, owner of a children's clothing store in Easton, apparently fell asleep while driving from Philadelphia. Trooper Leonard Morgan of the Doylestown Substation, Pennsylvania State Police, reported, Litwak, driving home from the University of Pennsylvania Hospital, where he had taken his mother for an operation, smashed into the highway truck, driven by Carl Wachmar, 51, of 250 W. Bridge St., Morrisville.

State police reported Litwak's 1952 automobile was completely demolished as the car crashed into a snow plow being carried at the

U. M. T. Bill Is Topic
For Panel Discussion

NEWTOWN, Feb. 21—Highlighted by a panel discussion of the Universal Military Training bill, Newtown Junior New Century Club's February meeting was held Tuesday in the Youth Center with Mrs. Robert A. Sheeran presiding. Mrs. David Gould, 3rd, moderator, announced that the bill had been broken down into six questions, each of which was discussed in turn by members of the two teams. Speaking in favor of the bill were Mrs. Robert Titlow and Mrs. David Rishell; and in opposition, Mrs. Frederick Iliff and Mrs. Stephen Escher.

It was announced the club's mother-daughter banquet will be held the first Tuesday in May; "open house" day will be May 17th; that \$150 was collected in the "polio" containers that had been placed in the stores, and that the senior club had sent a contribution of \$50 to Newtown Emergency fund. The club voted favorably on the proposed fluoridation of Newtown water supply. Pennsbury Club extended an invitation to Newtown Club to attend a meeting March 4th. A contribution was voted for the Boy Scouts.

Hostesses were Mrs. Crawford Motson, Mrs. Floyd Steinmetz and Mrs. Lewis Woodman.

TO VIEW FILMS

LATEST NEWS BULLETINS

Acheson Hopes for Early End of War

Lisbon—U. S. Secretary of State Dean Acheson reportedly told a secret meeting of western foreign ministers in Lisbon today that he hopes for an early end to the Korean war—possibly by spring. He was said to have based his remarks on the basis of latest reports from UN negotiators in Korea and diplomatic indications regarding the future intentions of Russia and Communist China.

Capture Accomplice of Sutton

New York—Capture of the second of the nation's "most wanted" bank robbers within 48 hours—an accomplice of Willie Sutton—led police today to believe they had thwarted another big bank job. The long-hunted criminal—"Mad Dog" fugitive Thomas "Scup" Kling—was trapped yesterday in the shower of his "arsenal" basement apartment in New York before he could grab his gun and shoot it out with police.

Van Fleet Warns of Possible Big Spring Offensive

Seoul—Gen. James A. VanFleet warned today that the strongest and best-equipped Chinese Army in history may launch a major spring offensive in Korea in the event armistice talks in Pan Mun Jom continue to drag out. The Eighth Army commander told INS that the Communists, stronger today than ever before in manpower and equipment, probably would attack if armistice talks fail to bring peace within the next few months.

"Amazing Results" Claimed from "TB" Drug

New York—An inexpensive drug which has brought amazing results in experimental treatment of tuberculosis was described today as "one of the greatest medical discoveries in a generation." In revealing that the drug had been developed by scientists working with his department, Dr. Marcus D. Kogel, New York City Hospitals Commissioner, said it was "better than anything so far." He emphasized that results are still "tentative."

Attempt to Delay Strike Deadline

Pittsburgh—CIO-United Steelworkers policy makers took steps today to delay the Saturday midnight strike deadline at separate sessions in Pittsburgh of the union's international executive board and the wage policy committee. The 36-man executive board met to draft a resolution delaying strike action to be submitted for approval of the 170-man wage-policy committee slated to meet at 2 P. M.

SUPERSONIC YAW

When a vessel is yawing with the wind astern, or almost astern, it is likely to yaw. Its heading changes from the course steered, left or right, as it runs a race with the waves. A great big yaw can happen when the vessel outruns a sea, and wallows into a trough. The steersman has no trouble holding a course, ordinarily, if the vessel is heading to windward. But leeward sailing or steaming can be a steersman's ordeal.

It might be thought that yawing was one nuisance an airman would not be called upon to cope with. It's true that a following wind has little comparable effect on his plane's heading. But a test pilot of the new Douglas Skyrocket—world's fastest manflown airplane—has some disturbing news about yawing in the speeds faster than the speed of sound, up in the thin air.

The Skyrocket is the rocket plane that cannot take off like other planes. It cannot stay airborne at takeoff speeds, so it must be carried aloft by a B-29 to be cast loose on its own maybe seven miles up.

It was up around 80,000 feet that Pilot Bill Bridgeman got into trouble. Slight yawing became horrible wild zigzags all over the sky. Like a good surface-vessel steersman he knew what he had to do—apply a little counter rudder-pressure in anticipation of the next yaw.

When he managed to dampen out the swoops and get back on the ground, he had some new and sensational dope for the aerodynamics experts. Supersonic planes, he thinks, must be radically redesigned. Some way must be found for wing surfaces to take a better grip of the very thin upper air.

COLOR TV AGAIN

Stand by for some technicolor fireworks. The National Production Authority is seriously considering removing the ban on the manufacture of color television sets.

This is the situation at present: The Columbia Broadcasting System has a "non-compatible" system of color television reception in the works that has the blessing of the Federal Communications Commission. The Radio Corporation of America, which has an electronic color receiving tube about ready for manufacture, is ready to go to the mat with CBS. The RCA system would make it possible for broadcasts to be received on both color and black and white receivers.

There are two other entries in the derby with color picture tubes of their own, and if the NPA does lift the ban, which was invoked to save scarce materials, a real scrap will ensue.
It has never been explained why the Federal Communications Commission assumed the power to decide whether the public should have color television or, if so, what type. Certainly Congress didn't intend to delegate manufacturing authority to the FCC when it set up this regulatory body.

Surly "Tom" Young, Wife, Eagerly Sought

Continued from Page One
the dubious distinction of being the first woman to rate listing on the roster of the nation's top criminals. G-men describe her as a potential counterpart to gang moll Bonnie Parker, of unholy memory.
The Youngs, both of whom have long criminal records, are wanted for bank and post office burglaries in Iowa, Kansas, and the Dakotas, and for jail breaks in Burlington, Iowa, and Fargo, N. D.

The FBI asked that physicians, especially, be on the alert for the hunted couple. Mrs. Young suffers from an abdominal cyst and requires a medicine compounded of codeine and aspirin, which can be obtained only on prescription.

Thus, said the G-men, it is probable that she will visit a doctor. The year 1951 was a banner one in the lawless married life of the Youngs.

On Jan. 17, 1951, Young looted a drug store at Sloan, Iowa. On Feb. 12, he was arrested in Des Moines. He was taken to Sioux City and indicted. He promptly jumped bond and went to Hebron, Neb., to pick up Margie, who was recuperating there from injuries received in an auto crash.

The Youngs were traced to Long Beach, Calif., then to Baker, Calif., and to Las Vegas, Nev., where Young won \$1,000 playing poker. They headed eastward and were captured at Burlington, Iowa. They then were taken to the county jail at Sioux City.

On the night of Aug. 18, Young overpowered a jailer, released Margie and another prisoner, kidnapped a motorist, eventually released him and abandoned his car, stole another car, and fled to La Junta, Colo. Tom and Margie, according to the FBI, next committed a series of post office burglaries in Kansas and the Dakotas. They were apprehended at Lewistown, Mont., on Oct. 13 and removed to Fargo, N. D., to face federal charges of post office burglary.

Some time during the night of Dec. 27-28, the couple escaped from the Cass County Jail at Fargo. Since that time they have been sought throughout the nation.

They were traced to Jackson, Tenn., where a man who broke jail with them was arrested. The FBI says that this man and the Youngs burglarized the state bank at Sattanta, Kans., on Dec. 30.

The FBI sounds this warning note:
"At the time of his apprehension in Burlington, Young had a pistol, which his wife urged him to use on arresting officers. In the back of the car was a saved-off shotgun. He was also armed when arrested in Lewistown."

"Young is a large and powerful man, who claims to have had a bear-wrestling act in a carnival and to have been a prize-fighter. He should be regarded as extremely dangerous."
Here are aids to identification of the fugitives:
Thomas Edward Young—Aliases—Thomas Edward Harry Young, Larry McClish, Larry McGlee, Ronald Angus Sharron, Teddy Morton, Arvin Weston, Sickert.
Description—Age, 33; height, six feet one inch; weight, 230 pounds; hair, dark brown, wavy, thinning on top; eyes, brown; complexion, ruddy; occupations, farm laborer, motor trucker, coal miner, dry cleaner.

Sears and marks—border of right ear crimped; small irregular scar

at inner corner left eyebrow, two small cut scars on right thumb, scar on tip of right middle finger, has gold inlay in a front tooth; sometimes wears a mustache.

Margaret Rita Young—Aliases—Margaret Rita Giese, Mrs. Henry Giese, Margaret Giese, Margaret Rita Moran, Mrs. Henry O'Giese, Mrs. William Reed, Ardith Lee Sickert, Margaret Rita Young, Marge Young.

Description—Age, 32; height, five feet five inches; weight, 138 pounds; hair, brown; eyes, brown; complexion, medium; occupations, housewife, seamstress.
Scars and marks—V scar on left forehead, appendectomy scar, one-inch scar inside right forearm.

services will be held in the church every evening, March 10-14 at 7:30 p. m., and on Sundays, March 9th and 16th, at 11 a. m.

On February 24th, final pledges will be taken for visitors, who after meeting at the church at eight p. m., Feb. 25th, and receiving instructions and assignments from the minister, will go out, two-by-two, to visit the membership of the church to secure additional pledges in the matters mentioned above.

At the special services the week of March 9th-16th the choir will sing on Monday and Friday; there will be guests on the other evenings who will add to the musical program. The minister, the Rev. Ralph E. Prond, Jr., will speak each night on the following subjects: Monday, "Your Church and You"; Tuesday, "You and Your Fellowship"; Wednesday, "Your Family and Your Faith"; Thursday, "Your Witness"; Friday, "Your Blessing." The theme for the program will be, "Victory Through the Conquest of Faith," and the sermons will follow the topic heading "The Ten Holy Habits of The Spiritual Life."

Following this effort the church will seek additional new members for the church in another program which will be announced after March 16th.

The minister expressed the hope that the church might through these special efforts then be in a better position to meet whatever might be required of it as a result of the changing conditions in our community. He said, "Unless the Church can meet the challenge of changing conditions in the day in which it lives and in the place where it serves, it cannot justify its reason for making demands upon our time and effort, and falls far short of the intention for which Christ established it. In these days we dare not fall short of our responsibilities and the fulfillment of our privileges."

a Congressional appropriation," it is stated.

The original plans now would be inadequate should the U. S. Public Health Service Plans materialize. The architects were instructed to re-study plot plans and modify the layout so as not to block ourselves from such expansion. The architects have done this and at no extra cost, to date. The new plans permit expansion to approximately 300 beds in the main building and provide for a separate maternity building of 170-200 beds. Locations for the nursing school and diagnostic clinic are indicated on the plot plan. Since the money immediately in sight is only sufficient for 100 beds, the architects have a tremendous problem in planning flexibility. They must plan primarily for a 100-bed unit in such a way to allow expansion to 300 beds without reentering the original structures or impairing efficient management. The layout must be logical and convenient, with an orderly and pleasing appearance at all stages in the expansion. Such extreme flexibility can only be obtained by additional cost.

In the new plans, all parts of the central building are four stories high calling for considerable increase in foundation and supporting steel. The boiler house must be moved to permit proper expansion. The space assigned to utilities must be enlarged. The architect estimates that the new layout for a 100-bed hospital, with necessary basic structural facilities included for the immediate expansion to a 300-bed unit, would cost \$2,163,700 plus \$125,000 for furnishings or a total of \$2,288,700. This is \$346,915 more than the original plans approved in principle at the November 23 meeting. The cost of making the new prints is estimated to run in the neighborhood of \$40,000. The Board of Directors approved action to instruct the architects to proceed with the new prints.

Since it is very possible to have the entire cost of the recommended expansion to 300 beds absorbed by Government grant under Defense Act No. 139 and in consideration of the local determining factors involved, it was felt that authorization of the expenditure of \$40,000 at this time was definitely a necessary move to protect the investment being made in the Lower Bucks County Hospital by the community. Defense Act No. 139, and the local factors involved will be analyzed and covered in part 2 of the Public Relations Committee report to be published very soon.

The board of directors also approved the agreement to purchase the Whyno and MacDonald properties on the hospital site.

It is the objective of the public Relations Committee and all officials of the hospital organization to keep those of you supporting the hospital project fully informed of the hospital's status at all times.

A sign is soon to be erected upon the hospital site designating the site location. This is being done through the graciousness of Fairless Steel Company.

Music Circus Star And General Manager To Wed

LAMBERTVILLE, N. J., Feb. 21—Musical comedy star Marilyn Day and Arthur Gerold, general manager of St. John's Terrell's Music Circus, will be married Feb. 23rd in St. Joseph's R. C. Church, Bogota, N. J.

Miss Day starred at the Music Circus last summer and more recently appeared on Broadway in "Kiss Me Kate." Other musicals she was featured in include, "Small Wonder," "If the Shoe Fits," "Call Me Mister," "Pretty Penny," "Finian's Rainbow" and "Star and Garter." She is the daughter of Mr. and Mrs. Charles Miller, of Bogota.

Mr. Gerold, a graduate of Rutgers and Columbia Universities, served in the South Pacific during World War II, as commanding officer of an LCI with the rank of Lieutenant (jg). The son of Mr. and Mrs. Arthur Gerold, Stillwater, N. J., he is general manager for St. John Terrell.

was unveiled approximately 37 years ago. Mr. Thompson's instrument is the piccolo, and he still enjoys playing it occasionally.

Mr. Thompson, now in his 87th year, will be accompanied to the ceremony in Washington Crossing Methodist Church by his wife. The one who has spent many years in service of the P. O. S. of A., and shown keen interest in its patriotic activities, has five times been elected president of Bristol lodge. He is a charter member, and during the 42 years since the lodge's inception in 1910, has on many occasions attended state and national encampments. He has been state delegate for years.

The state P. O. S. of A. treasurer, Frank Doerrman, and the state secretary, Charles E. Helms, will also attend the program tomorrow, as will dignitaries of the states of New Jersey and Pennsylvania, members of the Park Commission and representatives of many organizations.

Mr. Thompson, who has a keen zest for all that goes on about him, was born in 1865, in Philadelphia, coming to Bristol in 1886. In 1886, he opened a bicycle shop on what is known as Old Bath road, near the intersection of Bath and Buckley streets; then when he was in 1897 he built a store and dwelling near the site of his bicycle shop, and conducted a general merchandising business. In 1913 the Thompsons purchased the store at 587 Bath street, and remained in business there until 1951.

The one so active in patriotic endeavors keeps occupied attending sessions of his lodge; fire company; and enjoys all sessions of Bristol borough council. Activities of his two daughters, son; six grandchildren, and one great-grandchild; and numerous television programs help to occupy Mr. Thompson's spare time.

Choose 2 New Officers For Community Choir

The community choir of Bristol found it necessary to elect two new officers namely, president and vice president as the president found it impossible to attend meetings, and the vice president is leaving to serve in the U. S. Navy. New officers are: President, Andrew MacArthur and vice president, Mrs. Ralph Hart.

Committees chosen are: Membership, Miss Anna Rusk, Mrs. Hart, Mrs. Eleanor Scheetz, Miss Dorothy Pollard and Edward Dorenzinski and a Representative group, Miss Getz, Mrs. Hart, and Mark Wallace, to take our decisions to the Bensalem group.

The joint festival for Bristol and Bensalem will take place the last of May or the first part of June. Meetings are held from eight to 10 p. m. every Tuesday in Room 217-A, Bristol high school.

Anyone desiring to make this program a greater success is welcome to join, it is announced.

tion in 1940, to 24 per 1,000 in 1951," he stated. "There are now 24 million elementary children in schools in the United States, and by 1960 there will be 29 million. This increase, or 'baby boom,' will require 600,000 additional school rooms in the United States. Because of the tremendous industrial expansion of our area, Bensalem is in a critical condition, regarding school facilities."

Mr. White pointed out that at present Bensalem has 39 school rooms, and needs 57. Next year the need will be 63; by 1951, the need will be 70, of which Bensalem has approximately one-half, he informed. He quoted figures on what new construction would mean in debt service and tax increases. Mr. White was presented to the gathering by James Kye, a member of the Authority.

J. Maurice Tomlinson, member of Bensalem school board, opened the discussion period following Mr. Whyte's address.

Visitors were: Fred Herrmann, Bristol club; Frank Kentert, Hatboro Club; Edward Tate, Andalusia; Nelson Hoffman and Robert King, college students of Philadelphia area.

Maryland, will direct camp for the fourth season. Several of last year's staff members will return to camp. The Lake Unit which has previously been operated as a Pioneer Camp will not be used this summer due to the fact that public picnic areas are closer.

The group held quite a discussion on need for a camp site in Bucks County and whether it should be set up especially for a troop or an established camp.

The Girl Scout Cookie Sale was discussed and suggestions were made for a sale another year. 46,512 boxes of cookies have been sold to date and girls are accepting re-orders at this time.

People were told about the new Girl Scout Office at 20 E. Oakland Avenue, and invited to visit it after the meeting.

ARCHITECT DISPLAYS SKETCHES OF SCHOOL

Paul d'Entremont Explains Plans for Proposed New Neshaminy Dist. H. S.

AT HULMEVILLE P. T. A.

HULMEVILLE, Feb. 21 — Paul d'Entremont, of the architectural firm of Berninger, Hague & d'Entremont, appeared before members of Hulmeville-Middletown P. T. A. last evening in the school house.

By means of slides and sketches, Mr. d'Entremont proceeded to give information on the site for the proposed Neshaminy district high school (Devlin tract along Neshaminy Creek in Middletown township); size of tract, 212 acres ("one of largest school sites in the country"); size of structure, layout and location of class-rooms, and other facilities such as library, gymnasium, shop, music rooms, home-making departments, bus depot, etc.

He informed that the proposed site is at the pupil center of population, also the geographical center of the district. "The site was a God-send," he explained, as he continued to inform that the present tree-lined entrance will be maintained; and that possibly later a junior high school will be erected and connected to the proposed senior high.

"We plan to secure water from the Philadelphia Suburban water station which is near the site," he added. Drainage fields, athletic fields just off the "gym," etc., were pointed out on the sketches. That the building will be on an elevation 200 feet above the creek was mentioned. With the structure being one-story in height, it can be evacuated quickly. Mr. d'Entremont added. Such features as the brick finish; plexiglas ceiling "bubbles" or providing well-lighted corridors, segregation of "noisy" activities such as shop, music, gymnasium programs, were brought to attention of PTA members. The double "gym" will have folding bleachers, it was stated.

"The whole school plant will have facilities for pupil education and community service," the speaker informed. "Some have asked why we can't cut out the 'frills,' but frankly there are no 'frills.' It is to be a very functional building."

The guest speaker was introduced by Mrs. E. M. Linforth. Mrs. Vincent Latham, president, conducted the business meeting. With Miss Margaret Perry at the piano, the group sang "America."

Mrs. Earl Foster read minutes of the last meeting; and the report of treasurer, Dr. N. W. Larson, was read by the president.

Principal Frank Binder gave the cafeteria report for January, which revealed total of 1,489 meals served; or an average of 71 per day.

Mrs. Theodore Cochran informed of \$18 received from sale of telephone tablets, and this sum was voted to be used for purchase of cafeteria equipment.

Mr. Winter, Mr. Peters, Mrs. Bucklow and Mrs. Harold Winder were named on the committee with the local faculty to plan projects or the P. T. A.

It was decided to have a speaker discuss advantages of fluorine treatment for the teeth at the March session. Letter of appreciation from the local Brownie troop or loan of \$10 was received. Mrs. Latham informed that 14 women are taking the Girl Scout leadership training course here. Mrs. Alexander Seymour stated that over 500 boxes of Girl Scout cookies were sold.

A bazaar is planned for June, with members taking items of and-work to the March meeting in preparation for such.

out of the highway truck. It took almost 30 minutes to remove the body from the vehicle. Litwak was pronounced dead on arrival at Doylestown Emergency Hospital by Dr. Samuel Willard.

Wachmar sustained a broken left leg and multiple body lacerations. He was taken to Doylestown Emergency Hospital.

Bucks County Coroner J. T. Fers issued a certificate of accidental death, caused by a fractured skull. Wachmar will be held on a technical charge of involuntary manslaughter, following release from the hospital, it was revealed.

Mrs. Swink was a graduate of Cooster College, and was a teacher at Franklin Park School, Princeton. J. She is survived by her parents, Mr. and Mrs. C. Charles Dengler, of Butler and a sister, Miss Martha Dengler.

Mr. Swink was a senior in Princeton Theological Seminary. Services for the couple will be held at Miller Chapel, Princeton theological Seminary this afternoon.

The crash in which the two were fatally hurt resulted in demolition of the Swink car valued at \$2,000; damage of \$2,000 to a tractor-trailer; and damage of \$500 and \$350 to two other vehicles. It is stated that Swink was travelling east on Route 1 and in attempting to pass another vehicle which was making a left turn, was struck broadside by the

tractor-trailer. The latter then crashed into a parked sedan and parked coupe.

Biskubiak, a native of Poland, had come to this country two years ago. He was employed as a farm-hand on the farm of Anthony Pacenski, Richlieu road, Bensalem township. He was en route home after visiting a friend, when struck by a car Tuesday night. Mr. Biskubiak, a widower, has four children living in Poland. Tentative identification was made from cards found on his person; and positive identification made later by his employer.

Seven Bucks Co. Pupils Take Part in Chorus

Three days previous to presenting the program to the general public. This provides opportunity for the talented pupil to sing with other talented pupils under direction of a prominent conductor. The state program of music is expected to include musical compositions that would be too difficult to perform in the average high school choral groups.

This year, the district chorus program was under the direction of Mrs. Elaine Brown, a nationally-known conductor. Last summer, Mrs. Brown studied abroad and was awarded the French government's "prix d'Excellence," the highest distinction in conducting. Chester school district was the host for the occasion.

The district band concert will be given in Collingdale, Delaware County, on March 29th. Bucks County will be represented.

dent, and Fredericks told the court that he had been reimbursed for the damage done to his car.

"This is not an aggravated case, and it is to your benefit that you settled for the damages, but you cannot go without some punishment," Judge Satterthwaite remarked. The costs in the case amounted to more than the fine, the defense attorney, Donald Smith, of Perkasie, pointed out to the District Attorney. Bauer was arrested in Bristol township.

Lynsie Harris, of 255 North Sycamore street, Newtown township, was found guilty yesterday by a jury in Judge Satterthwaite's court of a charge of driving while drunk on March 1, 1951, on Route 532 in Newtown township. He was sentenced to serve three months in the Bucks County Prison from the date of commitment, on February 5th.

The foreman of the jury was William K. Krout, of Perkasie. Commonwealth witnesses included Constable Edward H. Bateman, Dr. Jesse E. Parker, Lester E. Carver and Leon H. Nilnor.

Jack Clyburn, of Linconia, went on trial before a jury in Judge Sat-

TERTHWAITE'S COURT, CHARGED WITH ASSAULT AND BATTERY WITH INTENT TO KILL, AGGRAVATED ASSAULT AND BATTERY AND ASSAULT AND BATTERY UPON LAVINIA MONROE, ALSO OF LINCONIA, ON AUGUST 4, 1951.

Another defendant, Robert Mott, was implicated in the same altercation, but will not be tried until later.

Testimony was offered to show that the altercation which resulted in a woman being slashed with a knife and a man being shot, all started over a \$5 bet in a game of craps in the Robert Mott home.

Mott, 31, who was warned that what he testified to, might be used against him when he went to trial later, stated that on the early morning of August 4, last year, he and Clyburn were shooting craps, and Lavinia Monroe was looking on.

"I made a pass and Clyburn got

out his knife and threatened me," Mott testified. "I bagged out the door and came back with a rifle for protection. The defendant had killed two people down South and I didn't want to take any chances."

Lavinia Monroe was cut with the knife during the argument, and had to be hospitalized.

Just who stabbed the woman and who shot the rifle, had not been definitely determined during the first day of the trial.

14 AT MEETING

TULLYTOWN, Feb. 21 — A meeting of Tullytown Business Association was held in Tullytown Fire Company station Tuesday evening.

Albert Monti presided over the session, to which 14 representatives of business places in the borough attended.

Tax Equalization To Raise \$400,000

Continued from Page One

now amount to \$3,600,000, he said, but if assessments were equalized generally throughout the borough, the total could be raised to about \$4,000,000.

Under the present assessments, Perry explained, the borough has a borrowing capacity of \$245,000, of which about \$185,000 has been used. The higher assessment would raise the borrowing capacity by about \$30,000, making possible additional borrowing of about \$90,000.

"The increased borrowing capacity is vital to the future of this community," Perry declared. "The population has grown from about

4000 to 6500 within the past two years, intensifying the need for additional schools, water facilities and many other services."

The Board of Education alone requires sizable additional funds, he said, pointing out a kindergarten program, which would cost about \$70,000 to put in operation, is one of the greatest needs.

Under the proposed reassessment program, he said, not all properties would be assessed at higher values. Some assessments might be lowered, he said, with the air being to make all properties pay a fair share of the tax bill.

A subcommittee of eight members, comprising representatives of

the Board of Education, the Greater Morrisville Citizens Committee, members of the borough council and other civic leaders, was named to conduct a survey of the borough's existing real estate values.

Economic Forum Arranged For Club Session Locally

An economic forum will be conducted tomorrow afternoon in the ravel Club home at two o'clock. A meeting of the club is held. Moderator of the forum will be Mrs. Elwood P. Goslin, public affairs chairman of the club who has charge of the program. The speakers will be Mrs. Robert F. Wright, Mrs. A. Russell Burton, Mrs. Ralph Scheffey and Mrs. Lester Michael, all of whom are members of the club.

Those planning the forum remind: "The newest development in the growing prestige and influence of women is the recognition of their importance as the principal spenders of the nation's wealth. This will be highlighted by the presentation of this forum. America's prosperity no longer determined by a few large fortune owners, but is the result taken by millions of individuals with moderate incomes that determines the economic course of the nation. Women have come away from similar forums enlightened to the intricacies of the financial world and sobered by a new awareness of their responsibility. Members are privileged to take tests to this meeting.

The hostesses of the afternoon, Mrs. Alvin K. Schindewolf and Mrs. Samuel Laidacker, will pour tea.

—O—
Thou Who art holy and righteous, we bow before Thee in deep humiliation at the remembrance of the iniquity which abounds on every hand. We know that it calls for righteous judgment, but vengeance belongs unto Thee, and Thou wilt repay. Cleanse our hearts that we be not partakers of unrighteousness, for Jesus' sake. Amen.

Sullivan's Army in Area**
DOYLESTOWN, Feb. 21—David Taylor, Newtown R. D., was speaker before more than 40 members and guests of Bucks County Chapter, Daughters of the American Revolution, in the Swartzlander house, Monday. Eleven of the guests were members of Tolickon Chapter, D. A. R.

Mr. Taylor, who has been in radio work for the past 18 years, is a well-known writer of radio shows and is currently producing two radio and one television show in Philadelphia. He is author of the book "Yankee Doodle Went to Town," which deals with the events leading to the crossing of the Delaware by General George Washington. He cited the activities of Sullivan's army in the Newtown area the week before the eventual crossing.

Mrs. William V. Loughery, regent, presided. Miss Paula Clift was welcomed as a member. The president general's message was read by vice-regent, Mrs. Franklin Washburn.

The chapter voted to present the name of Mrs. Ann Hawkes Hutton, Edgely, as Pennsylvania's "distinguished daughter" for the year. Hostesses included: Mrs. Montgomery Clift, Mrs. Herbert Crough, Mrs. Harvey Mitman, Mrs. Brantley S. Duddy, Miss Anna Moyer and Miss M. Ballantyne.

A meeting of the mothers of ownie Troop No. 51 will be held Thursday evening in Bristol Methodist Church at eight o'clock. Mr. and Mrs. Russell Allen, Miss Rita Shockey, New Buckley, and Mrs. Margaret Waters, Newton, N. J., spent Sunday with Mr. and Mrs. Thomas Behler, East.

David Gilliland, Doylestown, spent Sunday with his son-in-law and daughter, Mr. and Mrs. Paul Dite, Bath road. Mr. and Mrs. Kenneth Dell, Philadelphia, spent Sunday with Mr. and Mrs. Wilfred Clay, Rogers road.

Youth Program Soon To Be in "Full Swing"

NEWTOWN, Feb. 21—By the end of the first week in March, the Ne-shaminy Valley Youth Center program for many different ages will swing into high gear.

Since Mr. Salsbury left, and the running of the Youth Center has been dependent mostly on volunteer help, it has been the hope of the board of directors to offer activity for each age group.

The junior high group has maintained steady attendance of 50 or more at every Saturday evening dance, and last Saturday, with the special Valentine dance, the attendance was 130.

Every Tuesday for an eight-week period, beginning Feb. 26th, from four to five p. m., ballroom dancing will be offered to boys and girls in this vicinity, 11 and 12 years of age. Mrs. Elizabeth Shanne will conduct classes. Registration must be completed by the end of the second session.

The Youth Center will continue to be open from eight to 10:30 p. m., on Thursdays and Fridays under direction of George Carleton, Thomas Sutton and Mrs. Doris Allen.

Beginning March 6th, a class, under direction of William Alexander, for boys between 12 and 16, who are interested in building model airplanes, trains and cars will be held in the workshop just recently completed. The Youth Center has long been in need of an adequate working space for the pursuit of hobbies. Through the generosity of David L. Watson, who furnished the lumber, and A. M. Titlow, who built the workbenches, the workshop is now a reality.

Starting March 7th at 3:45 p. m., square dancing classes will be held for eight weeks for children 6-10. James Tempest, of George School, will instruct.

By the first of April, the board of directors plans to have several other diversified projects.

The Rio Grande is the largest river in Mexico.

Mineral Collection Given Scouts; Investiture Held

CROYDON, Feb. 21—An investiture service of Troop No. 80, Boy Scouts, was held in the Wilkinson Methodist Church, Sunday evening. The service was conducted by senior patrol leader, Wayne H. Woodland, Jr., assisted by his father, chairman of health and safety of Lower Bucks County Boy Scouts, Wayne Woodland, Sr.

Members of the troop taking part were: Albert Sylvester, Thomas Leighton, Theodore Leighton, William Denney, William Aufschlag, Ellsworth Thompson, Thomas Water, Franklin Woodland.

The boys accepted into the troop are: William Crossley, Joseph Crossley, Frank Wysocki, Gary Roberts.

The Rev. Louis Heim presented to the troop a mineral collection from a friend. The gift was accepted on behalf of the troop by Ellsworth Thompson.

Various Events Planned By St. Ann's Auxiliary

With vice president, Miss Lucy Ciambella presiding, St. Ann's A. A. Ladies Auxiliary conducted a meeting Tuesday evening in St. Ann's club house.

Mrs. Joseph Giampetro reported the Valentine dinner-dance a success, 150 attending. Mrs. Mary Manzo informed of plans for the fashion show, March 17th, in Fifth Ward Sporting Club home; and Mrs. Louis Galzerano told of plans for the spaghetti supper, Feb. 28th, 12 to eight p. m., in the St. Ann's Club home. Orders will be taken out if desired.

Mrs. Julia Bergfield, chairman of the March 19th pinocle party, informed of plans for that event. Mrs. Angelo Niccols volunteered to care for refreshments at the March meeting.

Mrs. John Raccagno, Miss Yolanda Constantini and Miss Josephine DiLorenzo served sandwiches and coffee to 35.

YANKEES TO BE TARGET OF OTHER TEAMS IN LEAGUE

The New York Yankees' chances of winning their fourth straight pennant in 1952 depend on many things—including the rest of the American League. The A. L. picture for '52 is examined in the following article, second in a series of three by International News Service on the forthcoming flag races.

By Charles Einslein
(L. N. S. Sports Writer)
NEW YORK, Feb. 21—(INS)—Everybody, excepting the St. Louis Browns and Washington Senators, will be gunning for the New York Yankees' American League championship in 1952. The Browns have lost that midget who got on base for them last year and the Senators didn't have a midget to begin with.

But if any team in the circuit is rated as a top threat to the Yankee dynasty, that team is the Chicago White Sox. Back for another season under managerial sensation Paul Richards is the same speed-crazy club that led the league well into July last year. But something new has been added:

1. Hector Rodriguez, a third-base prospect who—if he clicks—will allow Minnie Minosco to spend his full time in the outfield.

2. A catcher—Sherm Lollar, from the Browns. He can hit.

3. Pitchers Al Widmar and Chuck Stobbs.

Those additions may be all the White Sox need to give them the one ingredient they lacked a year ago—staying power.

Any pitching staff that includes Feller, Lemon, Wynn, Garcia, Groeck and Chakales is bound to command respect. For that reason, the Cleveland Indians once again are being touted as potential flag-winners, even though they demonstrated in 1951 that pitching isn't everything. A lot depends on return to hitting form by Larry Doby, and on Luke Easter's showing following his knee operation.

Pitching is Detroit's hope, too, now that Art Houtteman, sensational young righthander in 1950, has returned from a stay in military service. But the Tiger infield and catching has not been noticeably improved over 1951.

The Philadelphia Athletics are everybody's question mark. They have the league's leading home run hitter of 1951 (Gus Zernial) and the batting champion (Ferris Fain), plus a host of pitchers who made life miserable for the contenders in the stretch run.

Just as outstanding a question mark is the chance of the Boston Red Sox. Lou Boudreau has succeeded Steve O'Neil as manager. Gone are Ted Williams (called to the Marines) and Bobby Doerr (retired). Don Lenhardt is figured as Williams' successor in left field, and Fred Hatfield will get the shot at replacing Doerr at second base. Gus Niarhos has been obtained to bolster the catching, but the situation is not so promising as it has been in the last four years—not that it made any difference. The Red Sox now have blown the duke four years hand-running.

New manager Rogers Hornsby, new owner Bill Veeck, and 29-game-winning Ned Garver are the St. Louis Browns' assets. These, it is reckoned, are not enough. Neither is Washington's better-than-average outfield.

As for the world champion Yankees, they have Mickey Mantle and Jackie Jensen ready to try to fill the shoes of retired Joe DiMaggio in center field. They have a problem at first base. Jerry Coleman, a better-than-some infielder, has been called to the colors.

But the Yanks have, rookie-of-the-year Gil McDougald, most-valuable-player Yogi Berra, ex-most-valuable Phil Rizzuto, three pitchers named Raschi, Reynolds and Lopat, Manager Casey Stengel, a wealth of tradition—and one more thing.

That is that, as indicated by the All-Star game of 1951 and the American League race in general, they're playing in a weak league.

DELHAAS TEAM TO PLAY FACULTY

The annual game between the Delhaas Junior Varsity and the Delhaas Faculty will be played this afternoon at four o'clock on the Rohm & Haas floor. It is the third meeting between the teams with the Junior Varsity winning the other games, 26-25, and 28-26. Members of the Faculty team are: Stan Dick, John Antoni, Sid Oppenheimer, Ken Harold, M. McFarlan, Tom Jenkins, Lloyd Johnson, and Birk Ellis.

HIBERNIANS TO TRY TO KEEP GRIP ON LEAGUE LEAD

The Hibernians will try to keep its grip on first place in the Bristol Basketball League tonight as it meets Hilltop A. C. in the second game of a twin bill on the Goodwill Hose Company court. The first game, between Franklin and Rohm & Haas, will begin at 7:30 o'clock.

The Hibos moved into undisputed possession of the top notch position last week by winning over Profy's while Rohm & Haas was losing to Cornwells. The triumph gave the Hibos a full game lead over the chemical mixers.

Hilltop is in the cellar of the league but still maintains a mathematical chance of getting in the playoffs. It must win practically every game to do this. Manager Larry Auerwick, of the Neshaminy Falls team, will start Al Benningfield, Don LeHuquet, Bill McDonald, Dick Johnson, and Esdale.

Manager Peter Harkins, Hibernians, intends to start Joe Mulligan, Charlie Simmons, Joe Roe, Mickey Downs, and Charlie Brady. The latter is the most improved player of the circuit and has been scoring heavily in the last few games.

Rohm & Haas is seeking a comeback against Franklin. The Maple Beach aggregation is riled at the defeat handed it by Cornwells and intends to take it out on Franklin. However, Franklin is batting for a chance to get in the playoffs and may cause the second-place team plenty of trouble.

BOWLING

HUNTER-WILSON LEAGUE

Gallagher & Burton retained first place by trouncing That's All 3-1. Because of this defeat and the fact that they downed El Bart 3-1, White Label jumped into second place, leaving the third place spot for That's All. The Hunter team took

Wilson 4-0 but their standings remained the same.

High game for the evening went to "Mike" Scerba, a 197; and "Joe" Warsheski took high series with a 536.

"WASHINGTON REPORT"

By FULTON LEWIS, JR.
(Copyright, 1952,
King Features Syndicate, Inc.)

WASHINGTON, Feb. 21. Brig. Gen. Conrad E. Snow is not the man to be head of the State Department's Loyalty Board.

Snow, apparently at the suggestion of Secretary of State Dean Acheson, recently undertook a mud slinging speech against Senator Joseph R. McCarthy. It was filled with invective, but by the time Snow finished reading, it sounded more like a plaintive appeal to the Senator to go easy. McCarthy says State Department propagandists wrote the speech for Snow, but I wouldn't know about that, except to remark that if Snow did need help, there are dozens of propagandists on the payroll.

Snow has been head of the State Department's Loyalty Board since 1947. He said that his Board has turned up "numerous" loyalty and security cases since that date. May be so, but the Loyalty Review Board, under Hiram Bingham, which reviews most of the State Department Board's actions, says that Snow's group hasn't fired a single employee for either loyalty or security.

In fact, Bingham says that this is one of the most astounding records in government, especially since other agencies have found an average of from 6 to 10 per cent of their employees ineligible for government work under the loyalty-security program.

McCarthy continues to charge the State Department and other agencies with harboring Reds. Snow says this is a "smear" and that there are no known Communists working in Acheson's Department. Snow should be called before the McCarran Internal Security Subcommittee and told to put up or shut up.

Here is what Bingham has to say about Snow's Board:

"I think it is fair to say that the State Department has the worst record of any Department in the action of its Loyalty Board. The Loyalty Board in all the cases that it has considered in the State De-

partment has not found a single case of disloyalty."

Where does that leave Snow with his "numerous" cases of loyalty and security risks? Here is an opinion from another member of the Loyalty Review Board in respect to Snow and his State Department Loyalty Board that may help answer the question:

"As far as the State Department is concerned I don't understand their position at all, because although their Board has not held their people ineligible under the loyalty test, who should have been held ineligible under that test, they have plenty of power to remove

them as security risks. Why haven't they exercised it?"

That's a good question Snow ought to be made to answer before the McCarran Sub-Committee. And while in the witness chair, Snow ought to be asked how many, if any, State Department employees ousted from the payroll are now working for other government agencies. The Loyalty Review Board suspects there are many. At a recent session one Review Board member said this of the State Department's Loyalty Board:

"When they operate as they do—

merely showing a resignation of the individual and he has this copy from the State Department, he immediately goes over to another agency and says: 'I have worked for the State Department for five years. Here's my personnel action sheet. I resigned a few weeks ago.' There's nothing on the personnel action sheet to tell the personnel officer that there is an investigation on that person. He gets a job, or the person may be interested in him for other employment, and has to go running around the government

to find that there is an investigation on the man."

To date, Snow hasn't opened his mouth to protest Acheson's policy of permitting security and loyalty risks to resign, rather than be fired. If he wants to do his country a service he should protest this in a loud voice, instead of wasting his breath slinging mud at a United States Senator who does more to

combat Communists in one day than Snow's Board has done since 1947.

Snow seems to think the way to fight Communists in government is to sling mud at McCarthy. I respectfully call Senator Pat McCarran's attention to Snow's peculiar behavior as head of Acheson's Loyalty Board.

Tops in washing performance... among ALL automatic washers!

A-B-C-O-Matic
REG. U.S. PAT. OFF.

"Shampoos" the Clothes

for a **CLEANER WHITER WASH**

FIRST with shampoo washing action! **FIRST** with exclusive "centric" agitation!

Acclaimed by experts as today's outstanding improvement in washing action. Begins like a shampoo, with a small amount of water and the full quantity of soap. The result is a rich, creamy "lather," that quickly loosens the dirt. More hot water then produces turbulent, soapy suds, forced through every stitch of fabric. ABC-O-MATIC's exclusive "Centric" Agitator, with its big, pliant rubber fins, does not spin or oscillate. It moves outward and inward, with a smooth, continuous, pulsating action. Thus, clothes are not whirled, twisted or strained, but distributed evenly . . . and gently and thoroughly washed.

WASHES, RINSES, "SPIN-AIRE" DRIES... ALL Automatically!

This is the washer you've dreamed about! It's tops in automatic washer performance. With ABC-O-MATIC you just "dial" the dirt away. Everything is automatic! Toss in the clothes . . . add soap or detergent, whichever you prefer . . . set the dials. That's all! No fuss, no muss, no work, no worry! See the new ABC-O-MATIC before you buy any washer.

ABC American Laundry Washers and Promoters

Only ABC gives you these matchless features!

- ✓ SHAMPOOS the clothes
- ✓ NEW, softer, cleaner washing
- ✓ NEW, exclusive rinsing action
- ✓ EXCLUSIVE "Spin-Aire" damp-drying
- ✓ EASIER on the clothes
- ✓ QUIET, smoother performance
- ✓ FEWER working parts
- ✓ AUTOMATIC signal light
- ✓ AUTOMATIC leveler
- ✓ GEARLESS automatic transmission
